## Devices Policy

### Mobile Phones

The use of mobile phones is strictly prohibited in school. Students should submit their mobile phones to the supervisors **before the morning school bell rings.**

In case of emergency, students refer to the administration to make their calls with their parents.

Mobile phones will be confiscated in case found with the student during school hours.

### Laptops / Tablets

The use of laptops or tablets during school time is strictly limited to the sessions that the teachers assign.

Students should submit their laptops to the supervisors **before the morning school bell rings.**

When the assigned session starts, students will be allowed to get their devices from the supervisor, and they should submit them at the end of the session.

Laptops / tablets will be confiscated in case found with the student during school hours.

**School Administration**
